

**End to End Solutions**

# Full-Service Transportation Logistics for Businesses on the Go

**HOUSTON-BASED PATRIOT LOGISTICS, INC. IS A LEADING** national transportation logistics carrier specializing in the attainment of your specific business solution requirements. With a varied customer base and portfolio, combined with a proven track record, Patriot Logistics, Inc. possesses the capability to service all major markets from coast to coast.

“Over the years, it has been our goal to hire the most qualified drivers and employees to service our clients. We are continuously updating our operations to exceed the demands of our customers through technology, new equipment and service offerings. Ultimately, we understand the importance of our role in the supply chain process so our customers can build, manufacture, or distribute their goods and services to stay competitive in the global economy.”

– *Edwis Selph, Jr.*  
*President and COO*  
*Patriot Logistics, Inc.*

From its beginnings as a local intermodal drayage entity, Patriot Logistics, Inc. has experienced noteworthy growth in the industry. We believe our growth is due to our exceptional service offerings and our ability to service all markets, including Fortune 50 and Fortune 500 companies that we serve through our network of Intermodal Marketing Companies (IMC's). These companies, as well as the nation as a whole, benefit from our services, simply because many of our daily functions and operations depend upon the safety, reliability, and timeliness of your transportation logistics needs.

You can always rely on Patriot Logistics, Inc. for safe pickup and delivery of all your critical assets.
